

TRANSTAR COMES THROUGH IN A CLUTCH!

As the premier supplier of transmission and driveline-related parts, you can always count on Transtar to carry the quality parts you need - like LuK Clutches. For over thirty years, smart technicians have staked their reputation – and their customers' satisfaction – on genuine LuK RepSet® clutch and clutch system components.

You can trust the genuine OE Quality LuK product. Each LuK RepSet:

- Is 100% functionally tested and guaranteed to meet OEM specifications.
- Contains everything you need to get the job done right: new clutch, disc, release bearing, pilot bearing, spline tool and lubricant.

Transtar recently invested heavily in additional LuK inventory throughout our branch distribution network and improved our pricing proposition to make you more competitive in your local market!

Contact your Transtar sales rep today for a LuK 2015/2016 catalog, and for pricing and availability to complete your next clutch job.
